

RATPAC 24K SINGLE CHANNEL DIMMER

Our Single Channel Dimmers are packed with industry-leading solid state technology, an ultra quiet custom inductor, an oversized heat sink, and low-noise internal fan to ensure that your dimmer can handle the toughest loads. Our Wireless Single Channel Controller can receive instantaneous, secure DMX signals from up to 1/4 mile away from any CRMX or WDMX transmitter. All of our standalone dimmers are ETL and CSA listed.
